**NOTES FROM THE PRESIDENT:**

Nanette Thomas

So, this is the start of our new year here at the GSMGA! I am a relatively new Master Gardener and look forward to my continued education and working along side of some great and knowledgeable folks here at the GSMGA.

It is my goal to expand publicity for the GSMGA and thereby our community involvement, as

is our mission as Master Gardeners. I believe that, collectively, we have a great deal of knowledge and experience to offer our communities and local counties and any suggestions, thoughts or ideas will be welcome. Let's plan to discuss these ideas at our next meeting, February 25th. Here's to a great and colorful 2020!!
