

# A Grand Gardeners' Gazette Flash 3/2/14

Grand Strand Master Gardeners Association - Horry and Georgetown Counties, SC

IT'S A LOAVES AND FISHES STORY! We prayed for one President, and lo and behold, we got TWO!!

## Pat Hiter and Valerie Moliterno

have agreed to be co-presidents this year. How good it that? Thanks guys! Maybe you will model how it is done, and it can be replicated in coming years. We look forward to working with this partnership who will announce their total team in this month's GGG to follow.

**DIGGIN' IT** at Brookgreen Gardens is scheduled for Saturday, March 22nd from 9:30 am until 4:30 pm. Our GSMGA will have a table which needs to be staffed on two-hour intervals, and we need to sign up immediately - this is before our next meeting - so look at your schedule NOW. We need someone to be there at 9 am (avoid traffic at gate) to set up the table (provided by BG) with items which Pat Hiter has: banner, handouts, etc. So: 9-11, 11-1, 1-3, 3-4:30 and pick up the banner and left-over items. Call or email Pat at: 651-3984 or [sh3984@sccoast.net](mailto:sh3984@sccoast.net) Volunteers hours, opportunity to buy some wonderful plants, chance to "meet and greet" and help with gardening information.

**3-25-14 - 6:00 pm** - Put it on your calendar - next meeting of the GSMGA!

**Blooms in the winter!** Look at at Elaine Hawkinson's DSCN1160-Leucojem aestivum (Summer Snowflake) which blooms mid-winter to early spring in full sun. Elaine suggests: divide when becomes overcrowded; replant after foliage dies down.
