

From one of our Co-Presidents:

Greetings, Master Gardeners.

Several items came up at our meeting last night that I wanted to pass on to the entire membership.

1) I will be meeting with Mary Lou Avant regarding the Marsh Walk Planter Boxes on Friday (1/27) at 8:00 (AM!) at the Murrells Inlet 2020 Office at 4124 Hwy 17 Business, Murrells Inlet. That's directly across from the new Claw House. Several boxes are ready for attention. This meeting is only organizational, but come if you can/care to.

2) Interest was expressed in completing a field trip this year. Various MGs volunteered to research a trip to Swan Lake and Iris Garden in Sumter, Mepkin Abbey in Moncks Corner, Moore's Farms in Lake City, Charleston Tea Plantation, and the MG Annual Jamboree in Columbia. If you have an alternate site of interest, please research the details and bring a report for us at our next meeting on February 28.

3) I know all of you chose staying up with recording your MG hours as your New Year's Resolution!!! It's now possible to record hours by going through our website. Google GSMGA and choose our site. (On my browser we are the third entry.) Click on "GSMGA Members" in the upper left hand corner. Then on the Member's Page, click on the Clemson Extension MG Online Reporting site scroll. (This might take a few minutes to connect.) Remember, the key is keeping up with all those hours. So....while you're checking this method out, enter 1 hour for continuing education for last night's meeting if you were there.

4) I am currently updating our membership list. If you have any changes that need to be made, please let me know by February 5th so those changes will be on the updated roster.

Happy Gardening,
Peggy
