From Our Co-Presidents:

From the standpoint of weather, October has started out a real trouble maker. We hope that the water has gone down in your area and that you did not have damage to your yards and gardens.

On a good note, our plant/yard sale turned out wonderfully, even with the rain. Many yard sales were cancelled that day, but we were fortunate to be inside and to have a great crew to help. A special thanks goes to the Master Gardeners who helped. Stars go to:

and to **Jean Floyd** who went beyond the call of duty and worked a miracle. When the truck that was designated to pick up our unsold items cancelled due to the heavy rains, Jean got on the phone and in her car to locate a truck at the Donation Station in Garden City to pick up our items.

And we made \$658.82, which was great!

Pat Hiter and Barbara Marshall

We are on our way to **"GOING GREEN!"** Help us use up the supplies in our two bins at the Church so that 2016 will be, indeed, **THE YEAR OF THE GREEN.**
