September 18, 2018

*Grand Strand Master Gardeners Association
Horry and Georgetown Counties, South Carolina*

September Meeting:

September 25 - 6:30 pm - Church of Christ Grand Strand,
2212 Glens Bay Road, Surfside Beach, SC 29575

Program: Gary Forrester - Pesticides

Refreshments: Pam Battaglia and Mary Wilder

Notes from our Co-Presidents: Pat Hiter and Peggy Sattelmeyer

What a week! We know everybody was looking forward to fall with cooler weather and hopefully enough rain for our gardening projects. And then Florence arrived, right at the peak of South Carolina's hurricane season. We hope all of you were prepared and came through the storm OK.

Gary Forrester, as noted above, will be our guest speaker at our meeting next Tuesday. He will be talking about pesticide mode of action and pest resistance. This will be very informative for us.

We will be getting our slate of officers together in the next few months.

We hope to see all at our meeting. Our doors open at 6:00; meeting starts at 6:30.

Pat and Peggy

We are sad to report that the father of Sherri Kistemaker, our scribe, passed away on Saturday, September 15th. Our thoughts and prayers are with Sherri and her family.
